Annual General Meeting – Explanatory Notes

Items 7, 8 and 9 of the Notice of Annual General Meeting contain resolutions which in the case of resolutions 8 and 9 renew existing authorities for a further year. The Directors believe that the increased authority contained in Resolution 7 is necessary, as are the renewals of authority in resolutions 8 and 9, in order for the Company to be able to take advantage of business opportunities as they arise and recommend you to vote in favour.

- 1 RESOLUTION 7 This resolution authorises the Company to purchase 100,000,000 of its own shares. No purchases were made pursuant to last year's authority which was at the lower level of 10,000,000.
- 2 RESOLUTION 8 This resolution grants the Directors general authority to allot shares up to an aggregate nominal value of £30 million representing almost all of the unissued ordinary share capital of the Company.
- 3 RESOLUTION 9 The principal effect of this resolution is to give the Directors authority to allot equity securities for cash other than to existing shareholders up to a limited aggregate amount of £7,700,000 representing approximately 5% of the issued share capital of the Company, although it also permits the Directors to make rights issues and to effect a script dividend option for shareholders. None of these powers were exercised in 1999.
