

CoatsKnit™ AirDry

CoatsKnit AirDry is a 100% Polyester Drawn Textured Yarn (DTY) for knitting. It shares similar properties to normal DTY and can be dyed according to Coats standard colour shades.

The product incorporates a bre cross section (Y shape + O shape) and with the help of the groove core structure it absorbs the moisture and sweat from the surface of the skin and expels it.

CoatsKnit AirDry

EXPERT REAL WORLD SUPPORT

The final cost of any thread also includes hidden costs, fuelled by the methods and tools applied to it. Our experts know exactly how to reduce those costs, save time and increase productivity.

One to One Visits

There's no need to come to us, our experts will travel to your site. In person, online or via the phone, our trained consultants deal with the kind of issues any busy factory may face, providing a solution for today and a blueprint for future efficiency.

Training and Presentations

From yarn selection to stitch formation, the use of colour to solutions for common production issues, we take the learning gathered through years of hands on experience and present it in the form of high impact seminars, workshops and presentations.

Innovation Hub

Collaborate directly with expert R&D technologists at our Innovation Hub to create pioneering and tailored solutions for products ranging from Performance Materials to Apparel and Footwear. Equipped with state-of-the-art technology, we quickly turn ideas into prototype designs ready for manufacturing.

To drive your hidden costs down, talk to Coats. From thread audits in pre-production to the latest technical bulletins, we'll provide support that achieves measurable results.

For more information, talk to your Coats representative today or visit www.coats.com/en/coatsknit-airdry

OTHER PRODUCTS IN THE COATSKNIT RANGE

To complement the CoatsKnit range, we also have a selection of specialist CoatsKnit yarns. Each of these have additional benefits specific to the end use.

Product Name	Description
CoatsKnit AWF	A textured filament knitting yarn made with moisture wicking properties
CoatsKnit Protect	A 100% polyester yarn treated with an anti-microbial / anti-fungal finish
CoatsKnit Mono	A 100% polyester dyed round cross-sectional monofilament yarn
CoatsKnit Lucence	A drawn textured polyester knitting yarn with a special 'glow in the dark' effect
CoatsKnit Ultra	A 100% polyester yarn of trilobal cross sectional filament construction, offering high sheen

Specialist CoatsKnit products are typically available across a select range of ticket sizes and technical information will in some cases vary from the above table.
