

CoatsKnit™ Cool

CoatsKnit Cool is a Drawn Texturised Yarn (DTY) for knitting. In order to create this yarn, minerals are added to the polymer chips, which leads to longlasting effects such as a refreshing handfeel and adds high resistance to the finish (can't wash off the cool-effect).

The basic product is a PA6 (Polyamide / Nylon 6) in DTY (Draw Textured Filament Yarns). Properties are similar to normal DTY. These yarns can be dyed as with Standard DTY products to the Coats colour shade range.

WHY CHOOSE COATSKNIT COOL?

- First choice for energy saving in summer
- 100% natural inorganic minerals, safe, skin-friendly
- Long-lasting and refreshing feel
- The final finish provides high resistance due to the enclosure in the polymer- no wash off
- Standard 100 by Oeko-Tex compliant (Class 1)
- World class colour and consistency

MAIN USES:

- Footwear knitted uppers
- Apparel garments
- Accessory fabrics

EXPERT REAL WORLD SUPPORT

The final cost of any thread also includes hidden costs, fuelled by the methods and tools applied to it. Our experts know exactly how to reduce those costs, save time and increase productivity.

One to One Visits

There's no need to come to us, our experts will travel to your site. In person, online or via the phone, our trained consultants deal with the kind of issues any busy factory may face, providing a solution for today and a blueprint for future efficiency.

Training and Presentations

From yarn selection to stitch formation, the use of colour to solutions for common production issues, we take the learning gathered through years of hands on experience and present it in the form of high impact seminars, workshops and presentations.

Innovation Hub

Collaborate directly with expert R&D technologists at our Innovation Hub to create pioneering and tailored solutions for products ranging from Performance Materials to Apparel and Footwear. Equipped with state-of-the-art technology, we quickly turn ideas into prototype designs ready for manufacturing.

To drive your hidden costs down, talk to Coats. From thread audits in pre-production to the latest technical bulletins, we'll provide support that achieves measurable results.

For more information, talk to your Coats representative today or visit www.coats.com/en/coatsknit-cool

OTHER PRODUCTS IN THE COATSKNIT RANGE

To complement the CoatsKnit range, we also have a selection of specialist CoatsKnit yarns. Each of these have additional benefits specific to the end use.

Product Name	Description
CoatsKnit AWF	A textured filament knitting yarn made with moisture wicking properties
CoatsKnit Protect	A 100% polyester yarn treated with an anti-microbial / anti-fungal finish
CoatsKnit Mono	A 100% polyester dyed round cross-sectional monofilament yarn
CoatsKnit Lucence	A drawn textured polyester knitting yarn with a special 'glow in the dark' effect
CoatsKnit Ultra	A 100% polyester yarn of trilobal cross sectional filament construction, offering high sheen

Specialist CoatsKnit products are typically available across a select range of ticket sizes and technical information will in some cases vary from the above table.
