CoatsKnit™ High Bulkiness

CoatsKnit High Bulkiness is a Drawn Textured Yarn (DTY) for knitting. Yarns of different elongation and bulkiness can be knitted into different styles of fabric. Once knitted into fabric components, this yarn provides a soft hand-feel and takes on a voluminous appearance.

As a part of our commitment to ethically building a sustainable future, CoatsKnit High Bulkiness can be made from 100% GRS Certified recycled materials as well as virgin origin.

The yarn is also available in AWF, with a PFC Free anti wick finish.

EXPERT REAL WORLD SUPPORT

The final cost of any thread also includes hidden costs, fuelled by the methods and tools applied to it. Our experts know exactly how to reduce those costs, save time and increase productivity.

One to One Visits

There's no need to come to us, our experts will travel to your site. In person, online or via the phone, our trained consultants deal with the kind of issues any busy factory may face, providing a solution for today and a blueprint for future efficiency.

Training and Presentations

From yarn selection to stitch formation, the use of colour to solutions for common production issues, we take the learning gathered through years of hands on experience and present it in the form of high impact seminars, workshops and presentations.

Innovation Hub

Collaborate directly with expert R&D technologists at our Innovation Hub to create pioneering and tailored solutions for products ranging from Performance Materials to Apparel and Footwear. Equipped with state-of-the-art technology, we quickly turn ideas into prototype designs ready for manufacturing.

To drive your hidden costs down, talk to Coats. From thread audits in pre-production to the latest technical bulletins, we'll provide support that achieves measurable results.
