QUALITY POLICY 2.021

GOTEX designs and manufactures high technical level textile products.

Hence, keeping high quality standards in all departments is our duty and, in order to clearly define these, we indicate below the main bullet points of our Quality Policy:

- ✓ **Safety first.**
- ✓ **Promote respect and inclusiveness in all our business areas.**
- ✓ **Promote sustainability in our processes to minimize the impact on our environment.**
- ✓ **Comply with all current regulations and in turn with the requirements of Coats.**
- ✓ **Promote a continuous improvement in all of our daily activities.**
- ✓ **To promote teamwork. Our people are the Base of everything.**
- ✓ **Innovation is a key word in our business culture.**
- ✓ **Increase productivity in all our areas, innovating and improving in our day to day, being creative and proactive.**
- ✓ **The World is changing, and we must always be open to Change and adapt to it.**

SAFETY, QUALITY AND INNOVATION ARE THE BASE OF OUR CULTURE
