Coats® Neophil™ EcoVerde

Coats Neophil EcoVerde is the new generation 100% recycled sewing thread, carefully engineered for the automotive industry and is best suited for seat trim applications.

Neophil EcoVerde is ideal for sewing decorative stitches for gear stick covers and headliners. These threads were developed to survive high-speed, multi-directional sewing through multiple layers of fabric as well as withstand UV light for the lifetime of any car.

WHY CHOOSE NEOPHIL ECOVERDE?

- Made from pre-stabilised 100% recycled high tenacity continuous filament polyester
- Available in bonded, lubricated, twisted, monocord and air-jet textured versions
- Carefully tailored constructions and finishes to maximise sewing efficiencies and minimise costs
- Neophil EcoVerde is available in a full range of ready-wound bobbins to help enhance your productivity.

MAIN USES:

- Automotive carpets
- Automotive mats
- Car headline
- Convertible top
- Gear stick covers
- Seat covers
- Side door panels
- Seat trims
- Spare wheel covers
- Steering wheel covers

EXPERT REAL WORLD SUPPORT

The final cost of any thread also includes hidden costs, fuelled by the methods and tools applied to it. Our experts know exactly how to reduce those costs, save time and increase productivity.

One to One Visits

There's no need to come to us, our experts will travel to your site. In person, online or via the phone, our trained consultants deal with the kind of issues any busy factory may face, providing a solution for today and a blueprint for future efficiency.

Training and Presentations

From yarn selection to stitch formation, the use of colour to solutions for common production issues, we take the learning gathered through years of hands on experience and present it in the form of high impact seminars, workshops and presentations.

Innovation Hub

Collaborate directly with expert R&D technologists at our Innovation Hub to create pioneering and tailored solutions for products ranging from Performance Materials to Apparel and Footwear. Equipped with state-of-the-art technology, we quickly turn ideas into prototype designs ready for manufacturing.

To drive your hidden costs down, talk to Coats. From thread audits in pre-production to the latest technical bulletins, we'll provide support that achieves measurable results.
