24 April 2020

Dear Shareholder

Notice of Annual General Meeting

I am pleased to be writing to you with details of our Annual General Meeting (AGM) which we are holding at 2:30 p.m. on Wednesday 20 May 2020 at 4 Longwalk Road, Stockley Park, Uxbridge UB11 1FE, UK. The formal notice of AGM is set out on pages 6 to 8 of this document.

In line with the Government's compulsory measures relating to social distancing in light of Covid-19 (the Measures), the Company will not be able to give shareholders access to attend the Meeting in person and so shareholders should instead vote by way of proxy. More information on how to vote can be found on page 9 of this document. The usual format of the AGM will be condensed and will include only the formal business of the meeting. You are strongly advised to appoint the chairman of the meeting as your proxy to ensure your vote is counted. Other named proxies will not be allowed to attend the AGM. Shareholders can vote in advance using one of the methods set out in the notes on pages 9 to 10 of this document. Registered shareholders may submit questions in advance of the meeting by email to AGM@coats.com. We are disappointed that our AGM has been impacted by current events and that shareholders will not be able to attend in person. The Board would like to thank shareholders for their understanding in these exceptional times.

As announced on 27 March 2020, the Directors no longer believe that it is appropriate to recommend the payment of a final dividend for the financial year ended 31 December 2019. Therefore there is no resolution in connection with that.

The purpose of this letter is to explain certain elements of the business to be considered at the AGM. Resolutions 1 to 15 inclusive and resolution 19 will be proposed as Ordinary Resolutions and resolutions 16 to 18 inclusive will be proposed as Special Resolutions.

Resolution 1 – Annual Report and Accounts

For each financial year, the Directors must present the Directors' Report, the audited Financial Statements and the independent auditor's report to shareholders at a general meeting. A copy of each of these documents may be found in the Annual Report 2019 which was published on www.coats.com on 10 March 2020.

Resolution 2 – Directors' Remuneration Report

The Company is required to seek shareholder approval for the Annual Report on Remuneration which can be found on pages 70 to 85 (inclusive) of the Annual Report for the year ended 31 December 2019. The Annual Report on Remuneration discloses how the Company's existing Directors' Remuneration Policy (the 'Policy') is implemented and sets out details of each Director's remuneration during the year under review. In accordance with the relevant regulations, this resolution is an advisory vote and the Directors' entitlement to remuneration is not conditional upon it.

Resolution 3 – Approval of the Directors' Remuneration Policy

In accordance with the Companies Act 2006, the Company proposes an ordinary resolution to approve the directors' remuneration policy contained in the directors' remuneration report. The proposed policy is set out on pages 86 to 94 of the Annual Report. The vote on this resolution is binding and, if passed, will mean that remuneration payments and payments for loss of office can only be made to directors or former directors in accordance with the approved policy. The Company is required to ensure that a vote on its remuneration policy takes place at least every three years, unless it is proposed that the policy is to be changed before the expiry of the three-year period in which case the Company will propose a new resolution to approve the amended policy. The previous vote on the Company's existing directors' remuneration policy was held in 2017 and the policy is due to expire in May 2020. Subject to approval at the AGM, the proposed directors' remuneration policy will take effect from 20 May 2020 and will replace the existing policy as approved by shareholders in 2017.

Resolution 4 to 11 – Re-election of Directors

Resolutions 4 to 11 deal with the re-election of the Directors. In accordance with the provisions of the UK Corporate Governance Code (Code) and the Company's Articles of Association, all Directors, with the exception of Alan Rosling who is not standing for re-election, will submit themselves for re-election at the AGM. Further information on the Board, including the roles of the Directors, can be found in the Corporate Governance Report on pages 48 to 58 of the Annual Report 2019. In relation to the re-election of the Non-Executive Directors, the Chairman confirms that following reviews, as outlined on pages 57 to 58 of the Annual Report, he is satisfied the Directors are performing effectively and demonstrate commitment to the role and that the balance of skill, experience, diversity, independence and knowledge of the Group are sufficient to enable the Directors to discharge their respective duties and responsibilities effectively. All of the Non-Executive Directors are deemed to be independent in accordance with the criteria set out in the Code. A summary of the skills and experience of each of the Directors seeking re-election can be found in Appendix 1 on pages 11 to 12 of this document.

Resolutions 12 and 13 – Reappointment of Auditor and Auditor's Remuneration

The UK Companies Act requires that an Auditor be appointed at each General Meeting at which accounts are laid, to hold office until the next such meeting. Resolution 12 seeks shareholder approval for the reappointment of Deloitte LLP. The Audit and Risk Committee keeps under review the independence and objectivity of the external Auditor, further information on which can be found in the Annual Report 2019 on pages 59 to 63. After considering relevant information, the Audit and Risk Committee recommended to the Board of Directors that Deloitte LLP be reappointed.

Resolution 13 gives the Directors the authority to determine the remuneration of the Auditor. The amount of the remuneration paid to the Auditor for the next financial year will be disclosed in the next audited accounts of the Company.

Resolution 14 – Allotment of share capital

The UK Companies Act provides that the Directors are not permitted to allot shares (or other relevant securities such as rights to subscribe for, or convert securities into, Ordinary Shares) unless they are authorised to do so by the Company's shareholders in a General Meeting.

Paragraph (a)(i) of resolution 14 seeks to renew the Directors' general authority to allot shares up to an aggregate nominal amount of £23,859,834 as permitted by the Articles and pursuant to the provisions of section 551 of the Act. This amount represents no more than 33.33 percent (i.e. one-third) of the Company's issued share capital (excluding treasury shares) as at the Latest Practicable Date.

Paragraph (a)(ii) of resolution 14 would give the Directors authority to allot shares or grant rights to subscribe for or convert any securities into shares in connection with a rights issue in favour of shareholders up to an aggregate nominal amount equal to £47,719,669 (representing 954,393,385 shares), as reduced by the nominal amount of any shares issued under paragraph (a)(i) of the resolution. This amount (before any reduction) represents no more than two-thirds of the issued ordinary share capital (excluding treasury shares) of the Company as at the Latest Practicable Date.

Resolution 14 will be proposed as an ordinary resolution. The Directors have no present intention of allotting new shares except in connection with the employee share option schemes. However, passing this resolution will ensure that the Directors continue to have the flexibility to act in the best interests of shareholders, when opportunities arise, by issuing new shares.

The authorities sought under this resolution will expire at the conclusion of the Annual General Meeting in 2021 or at the close of business on 30 June 2021, whichever is the earlier (unless previously renewed, varied or revoked by the Company in a General Meeting).

Resolution 15 – Disapplication of statutory pre-emption rights

Resolution 15 is to enable the Directors to allot shares pursuant to the authority granted under Resolution 14 either for a rights issue or other offer of securities to existing shareholders or (up to the specified amount) for cash, without first offering them to existing shareholders exactly in proportion to their existing shareholdings (which would otherwise be required under UK statutory pre-emption rights contained in the UK Companies Act). This resolution, if passed, will renew the Directors' authority (given by shareholders at the 2019 AGM) to allot shares and other equity securities for cash, in appropriate circumstances, subject to the maximum amount set out in the resolution, and is consistent with the level commonly proposed by other UK listed companies. The maximum amount is 5% of the issued share capital as at the Latest Practicable Date.

The Directors confirm their intention to (except in relation to any issue of up to an additional 5% in accordance with Resolution 16 below) follow the provisions of the Pre-Emption Group's Statement of Principles (Principles) regarding cumulative usage of authorities within a rolling three-year period.

If passed, this authority will expire on 30 June 2021 or at the conclusion of next year's AGM, whichever is the earlier.

LETTER FROM THE CHAIRMAN OF COATS GROUP PLC CONTINUED

Resolution 16 – Disapplication of statutory pre-emption rights in connection with acquisitions and specified capital investments

This resolution is to enable the Directors to allot shares pursuant to the authority granted under Resolution 14, and in addition to the right under Resolution 15, either for a rights issue or other offer of securities (up to the specified amount) for cash, without first offering them to existing shareholders exactly in proportion to their existing shareholdings (which would otherwise be required under UK statutory pre-emption rights contained in the UK Companies Act) to be used only in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue or offer, or which has taken place in the preceding six months and is disclosed in the announcement of the issue. This resolution, if passed, will give the Directors an additional authority to allot shares and other equity securities for cash, in appropriate circumstances, subject to the maximum amount set out in the resolution, and is consistent with the level commonly proposed by other UK listed companies. The maximum additional amount is 5% of the issued share capital as at the Latest Practicable Date.

If passed, this authority will expire on 30 June 2021 or at the conclusion of next year's AGM, whichever is the earlier.

This resolution has been drafted to align with the approach recommended in the Principles.

Resolution 17 – Authority to purchase own shares

This resolution gives the Company general authority to buy back its own shares in the market as permitted by the UK Companies Act. The authority limits the number of shares that could be purchased to a maximum of 144,605,058 (representing approximately 10% of the Company's issued shares as at the Latest Practicable Date). This resolution also sets minimum and maximum prices in accordance with the UK Listing Rules.

The authority granted pursuant to Resolution 17 will expire on 30 June 2021 or at the conclusion of next year's AGM, whichever is the earlier.

UK listed companies purchasing their own shares are allowed to hold them in treasury as an alternative to cancelling them. If Resolution 17 is passed at the AGM, and the Company buys back its own shares, it is the Company's current intention to cancel all of the shares it may purchase pursuant to the authority granted to it. However, in order to respond properly to the Company's capital requirements and prevailing market conditions, the Directors will reassess at the time of any and each actual purchase whether to hold the shares in treasury or cancel them, provided it is permitted to do so.

The Board is focused on achieving a strategy which will involve capital management initiatives as the Group's cash flows permit. The Directors would only authorise such purchases after careful consideration, taking account of other investment opportunities, appropriate gearing levels, the overall financial position of the Company and whether the effect would be in the best interests of shareholders generally.

The total number of options that are outstanding under the Coats Group plc share option schemes are 56,769,759 as at the close of business on the Latest Practicable Date. These options equate to 3.93% of the issued share capital of the Company.

If the authority to purchase the Company's Ordinary Shares being sought in Resolution 17 and the existing authority to purchase shares taken at last year's AGM (which expires at the end of this year's AGM) were to be exercised in full, these options would represent 3.57% of the Company's issued share capital (excluding treasury shares).

As previously notified to shareholders, the Company will look to support its share-based long term incentives programme by funding an employee benefit trust to buy shares in the open market. As the employee benefit trust is an independent entity outside of the Company's group, it will not be relying on this authority when purchasing shares.

Resolution 18 – Length of notice of meeting

Resolution 18 is a resolution to allow the Company to hold General Meetings (other than AGMs) on 14 clear days' notice.

The minimum notice period for General Meetings of listed companies is 21 clear days, but companies may reduce this period to 14 clear days (other than for AGMs) provided that two conditions are met. The first condition is that the company offers a facility for shareholders to vote by electronic means. This condition is met if the company offers a facility, accessible to all shareholders, to appoint a proxy by means of a website. The second condition is that there is an annual resolution of shareholders approving the reduction of the minimum notice period from 21 clear days to 14 clear days.

The Board is therefore proposing Resolution 18 to approve 14 clear days as the minimum period of notice for all General Meetings of the Company other than AGMs. The approval will be effective until the conclusion of next year's AGM, when it is intended that the approval be renewed. The Board will consider on a case by case basis whether the use of the flexibility offered by the shorter notice period is merited, taking into account the circumstances, including whether the business of the meeting is time-sensitive and whether it is thought to be to the advantage of shareholders as a whole.

Resolution 19 – Amendment to the rules of the Coats Group plc Long Term Incentive Plan

During the year, the Remuneration Committee undertook a thorough review of the Company's remuneration policy (which shareholders are being asked to approve in accordance with Resolution 3). To ensure that the Company is able to attract, incentivise and retain Executive Directors with a remuneration package mix that aligns with the Company's peer group, without paying more than is necessary, as part of the Company's updated remuneration policy, it is considered appropriate to increase the annual maximum opportunity under the Coats Group plc Long Term Incentive Plan (LTIP) from 150% to 175% of total basic salary in normal circumstances but to reduce it from 250% to 200% of total basic salary in exceptional circumstances, such as to aid the recruitment of a new Executive Director.

Resolution 19 seeks shareholder approval to amend the rules of the LTIP to take account of the updated remuneration policy.

Recommendation

The Board considers the resolutions will promote the success of the Company and are in the best interests of the Company and its shareholders as a whole. The Directors unanimously recommend that you vote in favour of the resolutions as they intend to do in respect of their own holdings.

Voting on all resolutions at the AGM will again be by way of a poll using poll cards. We believe that this is a more transparent method of voting as shareholder votes are counted according to the number of shares held and this will ensure an exact and definitive result.

Such authority shall apply in substitution for all subsisting authorities (without prejudice to the continuing authority of the Directors to allot shares, or grant rights to subscribe for or convert any security into shares, pursuant to an offer or agreement made by the Company before the expiry of the authority pursuant to which such offer or agreement was made) and shall expire (unless previously varied as to duration, revoked or renewed by the Company in a General Meeting) on 30 June 2021 or at the conclusion of next year's AGM, whichever is the earlier, save that the Company shall be entitled to make offers and enter into agreements before the expiry of such authority which would or might require shares to be allotted or rights to subscribe for or convert securities into shares to be granted after such expiry and the Directors shall be entitled to allot shares and grant rights to subscribe for or convert securities into shares pursuant to any such offer or agreement as if this authority had not expired.

- (i) the allotment or sale of equity securities in connection with an offer of securities in favour of the holders of Ordinary Shares on the register of members at such record date as the Directors may determine and other persons entitled to participate therein, in any or all jurisdictions where equity securities are listed on any recognised stock exchange, where the equity securities respectively attributable to the interests of the ordinary shareholders are proportionate (as nearly as may be practicable) to the respective shareholdings on the record date of such allotment or sale. This is subject to such exclusions or other arrangements as the Directors may deem necessary or expedient to deal with any treasury shares, fractional entitlements or the legal or practical problems arising under the laws of any overseas territory or the requirements of any regulatory body or stock exchange or by virtue of Ordinary Shares being represented by depositary receipts or any other matter; and

NOTES TO NOTICE OF ANNUAL GENERAL MEETING

1. The venue for the 2020 AGM is 4 Longwalk Road, Stockley Park, Uxbridge UB11 1FE.
2. A member who is an individual is entitled to attend, speak and vote at the meeting or to appoint another person (who need not be a member of the Company) as his proxy to exercise all or any of his rights to attend, speak and vote at the meeting on his behalf. Further details of how to appoint a proxy, and the rights of proxies, are given in the paragraphs below. A member that is a company can appoint one or more corporate representatives (such as a Director or employee of the company) whose attendance at the meeting is treated as if the company were attending in person. In accordance with the provisions of the UK Companies Act 2006 (the UK Companies Act), each such representative may exercise (on behalf of the company) the same powers as the company could exercise if it were an individual member of the Company, provided that they do not do so in relation to the same Ordinary Shares. It is no longer necessary to nominate a designated corporate representative. A member that is a company may also appoint one or more persons as its proxy to exercise all or any of its rights on its behalf. In each case, a person attending the meeting will need to provide the Company or its Registrars, Computershare Investor Services PLC, with evidence of their identity and, if applicable, their appointment as a proxy or corporate representative with authority to vote on behalf of a member.
3. A shareholder may appoint more than one proxy in relation to the AGM provided that each proxy is appointed to exercise the rights attached to a different share or shares held by that shareholder. A proxy need not be a shareholder of the Company. You are strongly advised to appoint the chairman of the meeting as your proxy to ensure your vote is counted. Other named proxies will not be allowed to attend the AGM. Your proxy must vote as you instruct and must attend the meeting for your vote to be counted. To appoint a proxy or proxies, shareholders must complete: (a) a printed form of proxy, sign it and return it, together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such authority, to the Company's Registrars, Computershare Investor Services PLC, The Pavilions, Bridgwater Road, Bristol BS99 6ZY; or (b) a CREST Proxy Instruction (for UK registered members) (as set out in paragraphs 19 to 20 below), in each case so that it is received no later than 2:30 p.m. on 18 May 2020. Alternatively, you may submit your proxy electronically by accessing www.investorcentre/proxy. You will be asked to enter the control number, your Shareholder Reference Number (SRN) and PIN to validate the submission of your proxy online. The control number, and member's individual SRN and PIN numbers are shown on the printed Form of Proxy or e-mail notification. To appoint more than one proxy, you will need to complete a separate form of proxy in relation to each appointment. Forms of proxy for use in connection with the AGM are enclosed with this document. If you do not have a form of proxy and believe that you should, please contact the Company's Registrars, Computershare Investor Services PLC, on 0370 707 1022. Additional forms of proxy may be obtained by contacting the Company's Registrars on the number listed above or you may photocopy this form. Please indicate in the box next to the proxy holders name the number of shares in relation to which they are authorised to act as your proxy. Please also indicate by marking the box provided if the proxy instruction is one of the multiple instructions being given. All forms must be signed and should be returned in the same envelope.
4. The Chairman intends to vote any undirected proxies given to him in favour of all the resolutions set out in this Notice and will vote such undirected proxies as he thinks fit on any matters or motions before the meeting.
5. You will need to state clearly on each form of proxy the number of Ordinary Shares in relation to which the proxy is appointed. A failure to specify the number of Ordinary Shares each proxy appointment relates to or specifying a number of Ordinary Shares in excess of those held by the member will result in the proxy appointment being invalid.
6. A shareholder must inform the Company in writing of any termination of the authority of a proxy. If two or more valid but differing appointments of a proxy are received in respect of the same share for use at the same AGM, the appointment of proxy which is last received (regardless of its date or the date of its signature) shall be treated as replacing and revoking the others as regards that share; if the Company is unable to determine which was last received, none of them should be treated as valid in respect of that share.
7. The return of a completed form of proxy or any CREST Proxy Instruction (as described in paragraph 20 below) will not prevent a shareholder attending the AGM and voting in person if he/she wishes to do so.
8. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's register of members in respect of the joint holding (the first-named being the most senior).
9. Any person to whom this Notice is sent who is a person nominated under section 146 of the UK Companies Act to enjoy information rights (a Nominated Person) may, under an agreement between him/her and the shareholder by whom he/she was nominated, have a right to be appointed (or to have someone else appointed) as a proxy for the AGM. If a Nominated Person has no such proxy appointment right or does not wish to exercise it, he/she may, under any such agreement, have a right to give instructions to the shareholder as to the exercise of voting rights.
10. The statement of the rights of shareholders in relation to the appointment of proxies in paragraphs 2, 3 and 5 above does not apply to Nominated Persons. The rights described in these paragraphs can only be exercised by shareholders of the Company.
11. Copies of (i) the Non-Executive Directors' engagement letters; (ii) indemnities in favour of each of the Directors of the Company; (iii) the rules of the Coats Group plc Long Term Incentive Plan showing the amendments for which shareholder approval is being sought under Resolution 19; and (iv) the Articles of Association of the Company, will each be available for inspection. If you wish to review any of these documents, please email group.legal@coats.com to request a copy. Responses will be provided during normal working hours Monday to Friday, excluding bank holidays.
12. Pursuant to regulation 41 of the Uncertificated Securities Regulations 2001 and the UK Companies Act, the Company gives notice that only those shareholders included in the register of members of the Company at 8:00 p.m. on 18 May 2020 or, if the meeting is adjourned, in the register of members at 8:00 p.m. on the day which is two days before the day of any adjourned meeting, will be entitled to attend and to vote at the AGM in respect of the number of Ordinary Shares registered in their names at that time. Changes to entries on the register of members after 8:00 p.m. on 18 May 2020, or, if the meeting is adjourned, in the Register of Members at 8:00 p.m. on the day which is two days before the day of any adjourned meeting, will be disregarded in determining the rights of any person to attend or vote at the AGM.
13. As at 9:00 a.m. on 24 April 2020 being the latest practicable date prior to the publication of this Notice (Latest Practicable Date), the Company had 1,446,050,584 Ordinary Shares in issue, carrying one vote each. Therefore the total voting rights in the Company are 1,446,050,584. The Company does not hold any Ordinary Shares as treasury shares.

14. Under section 527 of the UK Companies Act, members meeting the threshold requirements set out in that section have the right to require the Company to publish on a website a statement setting out any matter relating to: (i) the audit of the Company's accounts (including the Auditor's report and the conduct of the audit) that are to be laid before the AGM; or (ii) any circumstance connected with an Auditor of the Company ceasing to hold office since the previous meeting at which annual accounts and reports were laid in accordance with section 437 of the UK Companies Act. The Company may not require the shareholders requesting any such website publication to pay its expenses in complying with sections 527 or 528 of the UK Companies Act. Where the Company is required to place a statement on a website under section 527 of the UK Companies Act, it must forward the statement to the Company's Auditor not later than the time when it makes the statement available on the website. The business which may be dealt with at the AGM includes any statement that the Company has been required under section 527 of the UK Companies Act to publish on a website.
15. Any member attending the meeting has the right to ask questions. The Company must answer any such question relating to the business being dealt with at the meeting but no such answer need be given if (a) to do so would interfere unduly with the preparation for the meeting or involve the disclosure of confidential information, (b) the answer has already been given on a website in the form of an answer to a question, or (c) it is undesirable in the interests of the Company or the good order of the meeting that the question be answered.
16. You may not use any electronic address provided in this Notice, or any related documents including the proxy form, to communicate with the Company for any purposes other than those expressly stated.
17. The contents of this Notice, details of the total number of Ordinary Shares in respect of which members are entitled to exercise voting rights at the meeting, details of the totals of the voting rights that members are entitled to exercise at the meeting and, if applicable, any members' statements, members' resolutions or members' matters of business received by the Company after the date of this Notice will be available on the Company's website at: www.coats.com/agm2020.
18. Voting on all resolutions at this year's AGM will be conducted by way of a poll using poll cards to accurately record the votes. As soon as practicable following the AGM, the results of the voting at the meeting and the numbers of proxy votes cast for and against and the number of votes actively withheld in respect of each of the resolutions will be announced via a Regulatory Information Service and also placed on the Company's website at: www.coats.com/investors.
19. CREST members who wish to appoint a proxy or proxies through the CREST electronic proxy appointment service may do so for the AGM and any adjournment(s) of the meeting by using the procedures described in the CREST Manual (available via www.euroclear.com). CREST personal members or other CREST sponsored members, and those CREST members who have appointed a service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.
20. In order for a proxy appointment or instruction made using the CREST service to be valid, the appropriate CREST message (a CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications, and must contain the information required for such instruction, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or is an amendment to the instruction given to a previously appointed proxy must, in order to be valid, be transmitted so as to be received by the Company's agent (ID: 3RA50) by the latest time for receipt of proxy appointments set out in paragraph 3 above. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means. The Company may treat as invalid any CREST Proxy Instruction in the circumstances set out in regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.
21. CREST members and, where applicable, their CREST sponsors, or voting service provider should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will, therefore, apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member, or sponsored member, or has appointed any voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s)) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.
