

# SOFT-FLOWING

SEAMLESS FUSING AND PERFECT FLOWING SOLUTIONS FOR  
MEDICAL AND ORTHOPEDIC APPLICATIONS

Get the perfect fit with our Soft-flowing insoles from Coats Footwear. Seamless fusing and superior flowing solutions make them ideal for medical and orthopedic applications. Enjoy extra comfort, high resistance to breakage, and excellent shape retention properties.

- Perfect modelling of special casts, very good drapability
- Excellent shape retention
- Easy glueing of different materials in one insole/composite
- High resistance to breaking
- Smooth edges / Soft-Flowing
- No grinding/skiving
