Coats® Gramax™ EcoVerde™

Coats Gramax EcoVerde is a 100% recycled polyester continuous filament textured thread. The textured filaments give the thread a soft feel and make it ideal for use in the loopers of overlocking, serging and cover seaming to provide softness and comfort, especially in “next to skin” seams.

WHY CHOOSE GRAMAX ECOVERDE?

- Good seam coverage and softness for neat, comfortable seams
- Low shrinkage property ensures no seam distortion after washing
- High level of colour fastness even in demanding washing conditions
- Less energy intensive to produce in comparison to virgin materials, which results in lower carbon emissions during production
- Delivers same level of performance as the virgin equivalent range, whilst offering sustainability benefits
- Global Recycled Standard (GRS) certified
- Standard 100 by Oeko-Tex® Class I

MAIN USES:

- Knitwear
- Sportswear and leisurewear
- Underwear and lingerie
- Babywear
- Household textiles

EXPERT REAL WORLD SUPPORT

The final cost of any thread also includes hidden costs, fuelled by the methods and tools applied to it. Our experts know exactly how to reduce those costs, save time and increase productivity.

Seamworks

Install our Seamworks software to accurately calculate costs prior to production, putting an end to the risk of over or under ordering materials, and incurring unnecessary extra costs. The Seamworks tool is provided with installation, training and ongoing support included.

One to One Visits

There's no need to come to us, our experts will travel to your site. In person, online or via the phone, our trained consultants deal with the kind of issues any busy factory may face, providing a solution for today and a blueprint for future efficiency.

Training and Presentations

From thread selection to stitch formation, the use of colour to solutions for common production issues, we take the learning gathered through years of hands on experience and present it in the form of high impact seminars, workshops and presentations.

Embroidery Service Centre

Our Embroidery Service Centre makes embroidering a design much easier, increasing productivity at the same time as enhancing the design itself. Email the design and any problematic issues to us and our technicians will email the improved design right back.

To drive your hidden costs down, talk to Coats. From thread audits in pre-production to the latest technological bulletins, we'll provide support that achieves measurable results.
